**DETAILED ACTION**

1. This communication is in response to amendment filed 6/16/05.

***Response to Amendment***

2. Claim 1 has been amended. Claims 2-4 have been cancelled and new claims 5-18 have been added. Claims 1 and 5-18 are currently pending.

***Election/Restrictions***

3. Newly submitted claims 1 and 5-18 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons:

The newly presented claims recites features of (a) "the lot of goods having a plurality of line items and each line item associated with a bid variable" and (b) further performing a function on the bid variables using the initial values, which function includes "a predetermined formula, in which each line item is associated with a weight factor determined by the enterprise buyer, when combined with a bid variable associated with a respective line item, contributes in the total bid value of the lot of the goods".

Art Unit: 3624

4. Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 1 and 5-18 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

**Conclusion**

5. Since the above-mentioned reply appears to be *bona fide*, applicant is given a time period of **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. Extensions of this time period maybe granted under 37 CFR 1.136(a).
